Dear Prospective Families and Current Families of
Saint Mary Magdalene and Saint Michael the Archangel Schools:

Saint Mary Magdalene and Saint Michael the Archangel schools are sponsored by Saint Andrew the Apostle, Saint Mary Magdalene and Saint Michael the Archangel parishes. Although the actual cost to educate a child at Saint Mary Magdalene and Saint Michael the Archangel schools is $6,715, the tuition for the 2008-2009 school year for a **registered, stewardship parishioner** of Saint Andrew the Apostle, Saint Mary Magdalene, or Saint Michael the Archangel, is **$5,205** per student, a discount of $1,510. In order to qualify for the discounted tuition rate, a parishioner needs to be registered at one of the three sponsoring parishes and be identified as a Catholic steward, a parishioner actively involved in time, talent and treasure. The tuition has increased 4.5% for this year. The teachers received a 3% salary increase and health care and building insurance have both increased.

In addition to the discount of $1,510 per student given to **registered, stewardship parishioners**, tuition assistance is also available to qualifying families. In order to be considered for tuition assistance, it will be necessary to complete a FACTS application. Further information regarding the FACTS application process can be obtained by contacting Sheila Lattner at (919) 657-4800 at Saint Mary Magdalene, or Catherine Embry at (919) 468-6149 at Saint Michael the Archangel.
